

Tip of the month - June 2019

Updating loco motors

At our last Friday drop-in session, Burton Steele demonstrated how he fitted a new motor to his Lima diesel loco and so gave it a greatly improved performance. Here is the website where Burton got the replacement kit at a reasonable price.

Lima Replacement Motor Kits

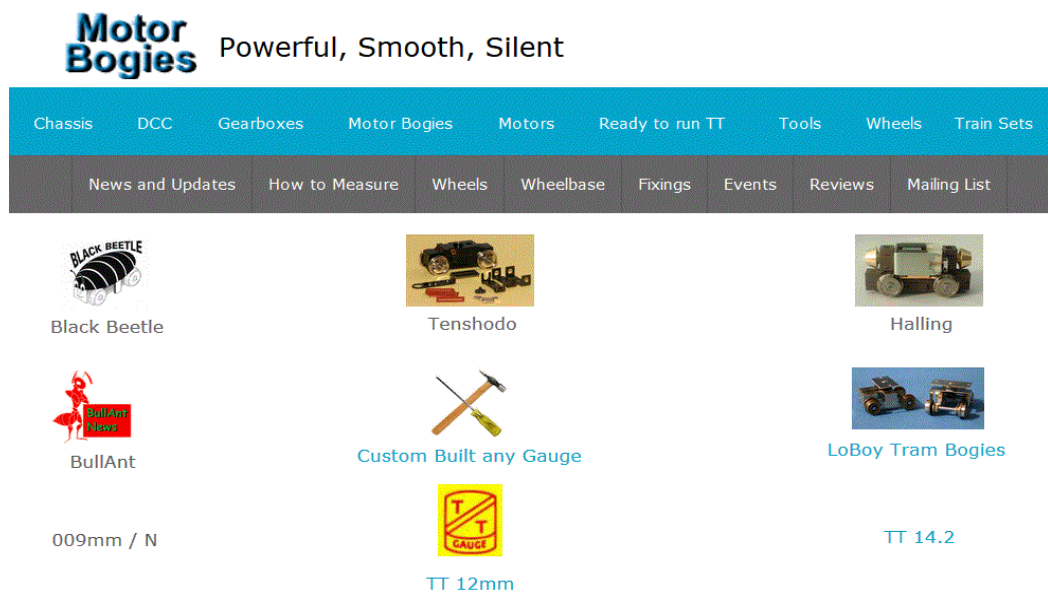

Featured Product

Lima Shunter Replacement Motor Kit.
£12.50

A site is dedicated to model diesel locomotives. I would like to make it clear to everyone that this is a hobby and should in no way be mistaken for a business.

Another useful source is www.motorbogies.com

This where we purchased the Halling bogie we use in the Thomas loco in our 'Uppen Doon' demo layout.
