

Model Electronic Railway Group

West of Scotland Area Group

Bulletin Feb 2020

Hello all

Here are the main events for the next few months.

Informal drop-in sessions

Firstly, a reminder of our fortnightly drop-in sessions in Prestwick.

The next one is on Friday 14th Feb from 2pm to 4pm, in the 65 Club, 65 Main St, Prestwick.

Thereafter they will be on 28th Feb, 13th March, 27th March, and so on.

These has proven very popular, with around 70 members participating. It has helped many members with their queries and problems and provides a forum for discussion. Contact me if you need directions.

Model Rail Scotland

This three-day event is held at the SSEC in Glasgow from 21st to 23rd February.

11 Members will be on our stand over the three days. Come along and see us if you will be attending.

Area Group Open Day

This year's Open Day is on 22nd March.

Plans are well under way for this event, with 16 tables of exhibits.

Please put the date in your diary and encourage others to come along.

If you need any leaflets to take to your club, let me know.

Visit to SVVT and ScRSG

We now have more details of this visit.

We will assemble at 13.30 on Wednesday 22nd April, at the old Bridgeton Bus Depot at 76 Fordneuk St, Glasgow.

The Scottish Vintage Vehicles Trust will give us a tour of their many buses and emergency vehicles.

The Scottish Region Study Group (ScRSG) will then provide us with tea before showing us round their award-winning 'Alloa' layout among others.

The building has its own large car park, although I imagine some of us will be car sharing.

At the moment, 38 members have indicated that they wish to attend. If you want to join us, let me know.

With a contribution of £3 per person, it will cover the catering and a small donation to both SVVT and ScRSG. I will collect the £3 from you at the drop-in sessions when I arrive home from Oz, or at the Open Day.

That's all for now; if you have any questions, feel free to email me.
